The record further shows that the applicant, James Wallace Summers, is the son of Laura Summers, a duly enrolled citizen by blood of the Cherokee Nation, and John W. Summers, a non-citizen of said Nation, and that he was born on May 9, 1906.

The Act of Congress approved April 26, 1906 (34 Stat. 137), in part provides:

"That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof,"

In view of the foregoing provision of law, I am of the opinion that I am without authority or jurisdiction to receive or consider the application for the enrollment of James Wallace Summers as a citizen by blood of the Cherokee Nation, and I hereby decline to receive said application.

Dear Madam:

In connection with the application for the enrollment of your child, John H. Dear Madam:

You are hereby advised that on August 22, 1906, the Secretary of the Interior approved the enrollment of your minor child John H. The child is now entitled to an allotment as a Cherokee citizen and application therefore may be made at the Cherokee Land Office, Muskogee, Indian Territory.

Laura Summers,

Dear Madam:

In reply to your letter of September 19,
relative to the enrollment as a citizen of the Cherokee
Nation of your child James Wallace Summers, you are ad-
vised that the affidavits of yourself and the physician
in attendance at its birth, show that said child was born
May 9, 1906.

The Act of Congress approved April 26, 1906
(34 Stat., 137), in part provides:

~~that for ninety days after the approval~~
hereof applications shall be received for en-
rollment of children who were minors living

It therefore does not appear that, under the provisions of the Act of Congress above quoted, your said child is entitled to enrollment as a citizen of the Cherokee Nation.

The Honorable,

The Secretary of the Interior.

Sir:

There is enclosed the record of proceedings in the matter of the application for the enrollment of James Wallace gummers as a citizen by blood of the Cherokee Nation, including decision of the Commissioner to the five civilized tribes, dated October 19, 1906, adverse to the applicant.

The record shows that on May 23, 1906 application was made for the enrollment of James Wallace gummers as a citizen by blood of the Cherokee Nation. DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.
CHELSEA, OKLAHOMA, FEBRUARY 21, 1910.

In re date of death of Louis Hudson, a citizen by blood of the
Cherokee Nation.

Testimony of Lillie Hudson taken at her home 7 miles northeast
of Chelsea, Oklahoma.

Lillie Hudson, being first duly sworn by Stephen A. Mills,
Deputy U. S. District Clerk for the Eastern
District of Oklahoma, testified as follows:

Examination on behalf of Commissioner by Stephen A. Mills.

- Q: What is your name? A Lillie Ann Victory Hudson. I sign my
name, Lillie A. Hudson.
- Q: What is your age? A 26 years old, I was born February 26,
1883.
- Q: What is your postoffice address? A: Chelsea, Oklahoma.
- Q: Are you a citizens of the Five Tribes of Indians?
- A: No, I am an intermarried Cherokee without citizenship rights.
My husband Samuel W. Hudson is a citizen by blood, I am a white
woman and we were married too late and not under the Cherokee
law. We were married too late for me to get any right as a
Cherokee citizen.
- Q: Where were you and Samuel W. Hudson married?
- A: February 26, 1889 at Chelsea, Oklahoma.
- Q: Can you read and write the english language?
- A: Yes I went to school off and on ten years.
- Q: Do you know one, Louis Hudson? A Yes sir. He is dead, he was
my child.
- Q: When did he die? A: He died October 9, 1904, he was two
months and ten days old, he was born on Friday July 29, 1904.
- Q: Where did he die? A: Here in this house and he was buried in
Chelsea cemetery, Chelsea, Oklahoma.
- Q: By what method or how do you fix the date of his death and
birth so positively?
- A: I have a family record of our marriage and the deaths and
births of our children.
- Q: Did you make a record of the death of Louis Hudson, if so,
please let me see it?
- A: Yes, I wrote it myself, here it is.

Here witness produces a written record showing the marriage
of herself--Lillie Ann Victory Bailey and Samuel W. Hudson,
Sunday February 26, 1889.

The birth of Katie Claire Hudson, Tuesday April 24, 1900.

The birth of Nancy Malvina Hudson, July 16, 1902.

The birth of Louis Blackburn Hudson, Friday July 29, 1904.

The death of Louis Blackburn Hudson, Sunday October 9, 1904.

The death of Joel T. Adams, March 27, 1905.

Q: I state that you have recorded the death of Louis Blackburn Hudson, on Sunday October 9, 1904--- is this the Louis Hudson as set out in the affidavit purporting to have been made by you as a citizen of the Cherokee Nation in 1906?

A: Yes, I guess it is but I never made any affidavit for anyone for the child. Sam, my husband, went to Elliott, to see if the child would be enrolled after the child was dead.

Q: What do you mean when you say that Sam went to Elliott?

A: Elliott was a lawyer in Chelsea.

Q: You say you never made an affidavit or made any record for anyone regarding the enrollment of Louis Hudson your child?

A: No sir, I never did.

Q: Would you not like to see if the reading of it will correct your memory?

Here is a copy of the affidavit in re- application for enrollment as a citizen of the Cherokee Nation--- affidavit of mother, in which it was made to appear that Louis Hudson, her child was born to her on July 29, 1904 and on the 28th. day of April, 1906, was then living?

A: No sir, I never made or signed any such affidavit, I never had anything to do with any such thing, I never saw the man Elliott about this matter, I knew him when I saw him but I did not see him or talk to him about this enrollment business. Someone else besides me made the affidavit and signed it but I did not. If I had I would have had my age right and the time of death, which was October 9, 1904, as the child died on that date and was not alive in 1906. And that affidavit should be corrected to read that Louis Hudson died on October 9, 1904 and that he was not living on April 28, 1906. I don't know why anyone made any such affidavit, I know I didn't.

Q: What doctor, if any, attended your child Louis at the time of his death? A: Dr. George W. Morrison of Chelsea, Oklahoma.

Q: Had you been present at the time of the making of the affidavit showing your deceased son Louis Hudson, as being alive on April 28, 1906, would you have consented to and permitted such a showing?

A: No sir, I would have made it show that he died when he did, in 1904.

Witness excused.

Testimony of Samuel W. Hudson taken at his home 7 miles northeast of Chelsea, Oklahoma.

SAMUEL W. HUDSON being first duly sworn by Stephen A. Mills Deputy U. S. District Clerk for the Eastern District of Oklahoma, testified as follows:

Examination on behalf of Commissioner by Stephen A. Mills.

Q: What is your name? A: Samuel W. Hudson.

Q: What is your age? A: I don't know just what my age is I think I am over 20 years old.

Q: What is your present place of residence? A: Chelsea, Oklahoma.

Q: Can you read or write the English language or the Cherokee language? A: No sir, I never went to school much.

- Q: Are you a citizen of the Five Civilized Tribes of Indians?
A: Yes sir, a Cherokee by blood.
Q: Are you married or single? A: Married. My wife's name is Lillie Ann Victory Hudson, she was a Bailey but her name is and she signs her name as Lillie Hudson.
Q: Did you know one, Louis Hudson? A: Yes sir. He was my child, that is we had a child named Louis Blackburn Hudson, named him after his grand-father.
Q: Where is he now? A: He is dead, he lived a little over two months, he was born in July 1904 and died in October 1904. My wife has a record of the dates of the birth and death of our family.
Q: Did you know anything about an attempt to have Louis Hudson enrolled as a Cherokee citizen?
A: Yes early in 1906 when they were talking about enrolling new-borns I went and saw lawyer Elliott at Chelsea and told him about our dead child Louis and told him when he was born and when he died and Elliott told me it was all right, he told me it didn't make any difference when he died, so long as he was born after March 1902. Elliott made out all the papers and affidavits and signed my name I knew but I don't know if he signed my wife's name-- after he did all the writing and mailed all the papers I paid him a dollar I think-- the next I know of it, I got a letter from the Department about it. I then got a man named Hazard to write a letter to the Commissioner trying to explain the matter, you got it I guess. That is all I know about it.
Q: Had you known that the affidavit here referred to showed that your deceased son Louis Hudson appeared to be living on April 26, 1906 you would not have permitted it to be so? A: No sir. I told Elliott the child was dead, he died in 1904, shortly after he was born, I couldn't read or write and did not know if read that way. Elliott did all the writing and I supposed it was all right until I got a letter from the Department, when I got Mr. Hazard to write for me and explain just how it was.

Witness excused.

Statement by Mr. Stephen A. Mills.

I called upon Dr. George W. Morrison of Chelsea, Oklahoma and interviewed him in the foregoing manner.

He stated that he was a retired physician, that he knew Samuel W. Hudson and his wife Lillie. That he had no record of the birth or death of Louis Hudson the deceased child, as none was kept at that time. However, his books showed his attendance in the case and he would make a certificate showing as near as his memory would permit in connection therewith, as to the facts in the case but would give no sworn testimony. He then made and submitted the attached certificate showing that a male child was born to Samuel W. and Lillie Hudson during the year 1904 and that sometime later during the same year the child died.

(Mills' Statement of George W. Morrison is hereto attached).

This is all the evidence taken in said matter on said date.

Commissioner to the Five Civilized Tribes,

Muskogee, Ind. Ter.

Dear Sir:-

I, the undersigned Samuel W. Hudson, have received your letter of March 15, 1907, notifying me that on March 1, 1907, that the enrollment of Louis Hudson, a citizen of the Cherokee Nation (new born), was finally approved by the Secretary of the Interior and that the proper representative could be admitted in regular order to secure an allotment for the minor.

I write you to state that in making the application last year, for the enrollment of the child, I stated to my attorney, D. G. Elliott, Chelsea, Ind. Ter., who made the application for me, that the child died October 9, 1904, and was born July 29, 1904, and he stated to me that it did not matter when the child died; but I have recently been informed, by another attorney, that only those citizen children living March 4, 1906 were entitled to be enrolled as citizens.

Now, I want you to inform me if my attorney, in making the application for my wife, made any statement at all as to the death of the child and also whether or not the fact that the child died in October, 1904, will defeat its being able to hold land? If so I will make application to have the enrollment cancelled.

Please let me hear from you by return mail.

Yours very truly,

Samuel W. Hudson,

Dear Sir:

This office is in receipt of your letter of May 13, stating that you are in receipt of its letter of March 18, 1907, informing you that on March 1, 1907, the enrollment of your child, Louis Hudson, as a new-born citizen of the Cherokee Nation was approved by the Secretary of the Interior, and that the proper representative could select an allotment of land for said child. You further state that in making application for the enrollment of this child you informed your attorney, D. G. Elliott, of Cherokee, Indian Territory, who made the application for you, that said child was born July 29, 1906, and died October 9, 1906, and that he stated that it did not matter when the child died. You also state that you have recently been informed by an attorney, that only those children living March 4, 1906, were entitled to be enrolled as citizens of the Cherokee Nation. You ask to be advised whether or not

Samuel W. Hudson--3

your attorney "in making the application for my wife make any statement at all as to the death of the child, and also whether or not the fact that the child died in October, 1904, will defeat my being able to hold land;" if so you state you will make application to have the enrollment cancelled.

In reply you are advised that the application which was received April 30, 1906, for the enrollment of your child, Louis Hudson, which application is in affidavit form, being executed April 25, 1906, before David S. Elliott, a Notary Public, and signed by Millie Hudson, mother of said child, and Geo. W. Morrison, the physician in attendance at the birth of the child, shows that the child was born July 20, 1904, and was living when the affidavit was executed, on April 25, 1906.

The provision of the Act of Congress approved April 20, 1904 (34 Stat. 137), providing for the enrollment of minor citizens of the Cherokee Nation, reads as follows:

"That for sixty days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been en-

James E. Harrison

replied as follows: "The Master, Christian, Chumley, or Greek, or have applications for enrollment pending at the approval thereof, and for the purpose of enrollment under this section, illegitimate children shall take the name of the mother, and all persons shall be made to children be enrolled."

It will be seen from this provision of law that no child born to a citizen of the Cherokee Nation who was not living on March 4, 1906, is entitled to enrollment.

There is enclosed a blank form of death affidavit which you are requested to have executed and return to this office at the earliest possible date, in order that the death of this child may be shown upon its records. There is also enclosed for your reply a return penalty envelope which requires no postage.

COMMISSIONER TO THE FIVE CIVILIZED TRIBES

Muskogee, Oklahoma, February , 1910.

Honorable Thomas Ryan,

Acting Commissioner to Five Civilized Tribes.

Sir:

I have the honor to enclose herewith statement of the several witnesses examined by me relative to the date of death of Louis Hudson, a citizen by blood of the Cherokee Nation, as per your instructions of recent date. I herewith return all papers given me for my information.

Respectfully,

L. H. Miller

Muskogee, Oklahoma, March 1, 1910.

Mrs. Lillie A. Hudson,
Cherokee, Oklahoma.

Sir:

On February 21, 1910, you and your husband, Samuel W. Hudson, gave testimony before a representative of this office, fixing the date of death of your minor child, Louis Hudson, as October 9, 1904.

Your said child was enrolled under the provisions of an Act of Congress approved April 26, 1906, which provides:

"That for ninety days after approval hereof applications shall be received for enrollment of children, who were minors living March 4, 1906, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee or Creek tribes."

Your said child, therefore, was not entitled to be enrolled, such enrollment having been procured upon affidavits representing him to have been living on March 4, 1906.

This enrollment having been procured by fraud, the child in question is not entitled to take an allotment or participate in the distribution of the other tribal property of the Cherokee Nation, and after the expiration of thirty days from date of this communication recommendation will be made to the Secretary of the Interior that a note of

Enrollment of Lewis
Hudson, Cherokee.

Washoe, Oklahoma, April 18, 1910.

The Honorable

Secretary of the Interior.

Sir:

I have the honor to bring to the attention of the Department the case of Lewis Hudson, whose name appears in the final roll of minor Cherokees enrolled under the provision of the Act of April 26, 1906, opposite No. 4401.

No application to select an allotment for this minor having been made, and an affidavit having been filed showing his death as having occurred in 1904, an investigation was begun to corroborate this fact. The evidence secured in the course of this investigation establishes conclusively that Lewis Hudson died on October 9, 1904, and consequently was not entitled to enrollment under the provisions of the Act of April 26, 1906. Notice was given Lillie A. Hudson, citizen mother of Lewis Hudson, that a notation would be made on the approved roll showing that her said child was not entitled to an allotment of land, said notice being in the form of a registered letter, the receipt of which is evidenced by the return of the registry receipt properly signed.

I, therefore, have the honor to recommend that there be placed on the approved roll of citizens by blood of the

Enrollment case
of Lewis Hudson.

June 23 1910

The Honorable

The Secretary of the Interior.

Sir:

I have the honor to transmit herewith a report dated April 16, 1910, from the Acting Commissioner to the Five Civilized Tribes, and one dated June 1, 1910, from the Commissioner to the Five Civilized Tribes, relative to the date of the death of Lewis Hudson, whose name appears opposite No. 4401 on the final approved roll of minor Cherokees by blood. The evidence in the case shows that Lewis Hudson died on October 9, 1904, and consequently was not entitled to enrollment under the provisions of the Act of April 26, 1905 (34 Stat., L., 137). It appears from the Report of April 16, 1910, that notice was given the mother of Lewis Hudson of the purpose to place opposite the name of the latter on the above mentioned roll the notation, "died prior to March 4, 1908, not entitled to land or money." It appears from a report of the Commissioner dated June 1, 1910, that Samuel W. Hudson, father of Lewis Hudson, is fully informed in the matter. The

L-46599-2

Office is, therefore, of the opinion that the notation furnished is a sufficient compliance with the law as to notice, and therefore recommends that the notation above mentioned be made opposite the name of Louis Madison on the final approved roll of minor Cherokees by blood, and that this Office and the Commissioner to the Five Civilized Tribes be authorized to make a similar notation on the copies of the roll in their possession.

Very respectfully,

DEPARTMENT OF THE INTERIOR,

In the matter of the application for the enrollment of
Charley Ketchum as a citizen by blood of the Cherokee Nation.

--1--

DECISION.

THE RECORDS OF THIS OFFICE SHOW: That on May 1, 1906, application was received at this office for the enrollment as a minor citizen of the Cherokee Nation, of Charley Ketchum, under the provisions of Section 2 of the Act of Congress approved April 26, 1906.

THE EVIDENCE IN THIS CASE SHOWS: That the said Charley Ketchum is a minor son of Watson Ketchum, a regularly enrolled citizen of the Cherokee Nation of Delaware blood, and one Minnie Ketchum, alleged to be a citizen of the Cherokee Nation, but not identified as such. The evidence further shows that the said Charley Ketchum was born April 16, 1906.

Section 2 of the Act of Congress approved April 26, 1906, in part provides:

"That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled.

I am therefore of the opinion that, under the provisions of Section 2 of the Act of Congress above cited, I am without authority to receive the application for the enrollment of Charley Ketchum as a citizen by blood of the Cherokee Nation, and I hereby decline to receive said application.

The Honorable,

The Secretary of the Interior.

Sir:

There is enclosed the record of proceedings in the matter of the application of Charley Ketchum as a citizen of the Cherokee Nation, including the decision of the Commissioner to the Five Civilized Tribes, dated December 20, 1906, adverse to the applicant.

The record shows that on May 1, 1906 application was received by the Commissioner to the Five Civilized Tribes for the enrollment as a minor citizen of the Cherokee Nation of Charley Ketchum, under the provisions of the Act of Congress approved April 26, 1906, (34 Stat.L., 137). The evidence shows that Charley Ketchum is the minor son of Watson Ketchum, a regularly enrolled citizen of the Cherokee Nation of Delaware blood, and Minnie Ketchum alleged to be a citizen of the Cherokee Nation, but not identified as such. The evidence further shows that the applicant, Charley Ketchum, was born April 16, 1906.

Inasmuch as the applicant was not living March 4, 1906, and in view of the provisions of Section 2 of the Act of Congress approved April 26, 1906, (34 Stat.L., 137), the Office

The Cherokee authenticated roll of 1890 examined and the name of the applicant is found on page 285, No. 1193, as George Ellis Harlin, in Delaware District.

The Cherokee census roll of 1898 examined and the name of the applicant is found on page 481, No. 1468, as Ellis Harlin, in Delaware District.

Commissioner Breckinridge-

The applicant applies for the enrollment of himself, his wife, and two children. He is identified on the rolls of 1890 and 1898 as a native Cherokee; he has lived in the Cherokee Nation all his life, and he will be listed for enrollment as a Cherokee by blood. He states that his wife was married to him in 1897, but is unable to produce a certificate of marriage at this time. In any event, the marriage is too late to entitle her to enrollment under Cherokee law, and the application for her enrollment is rejected. He states that neither he nor his wife were previously married. The two children, for whom application is made, are too young to be upon any rolls. Their names will now be placed upon a doubtful card to await proper certification of their births and proof of marriage between the applicant and their mother.

Muskogee, Indian Territory, April 12, 1902.

Mrs. Jane Davis,

Claremore, Indian Territory,

Dear Madam:

When you applied to this Commission for enrollment as a citizen of the Cherokee Nation, you filed with your application, marriage license and certificate showing your marriage on the 6th day of May, 1896, to John B. Davis.

Your case having been finally disposed of, this marriage license and certificate is herewith returned to you.

Yours truly,

Commissioner in Charge.

Encl.-536.

"That from and after the passage of this ACT, all non-citizens who may marry Cherokees by blood, Delaware or Shawnees by blood, Citizens of the Cherokee Nation, shall acquire by such marriage, no rights of property, lands or money, belonging in common to the Cherokee people or Cherokee Nation, and Chapter XII, Article XVI, Sections 639 to Sec. 669, inclusive pages 329 to 334 of the Compiled Laws of the Cherokee Nation, is hereby amended (so) as to conform to the provisions of this Act, and to vest no other than political rights in persons not of Cherokee, Delaware or Shawnee blood who may marry Cherokees by blood, Delaware, or Shawnees by blood who are recognized citizens. And all laws or parts of laws conflicting herewith, are hereby repealed."

It appears from the testimony in this case that you were married on the 6th day of May, 1896, to one John B. Davis, your said husband.

..... a citizen by blood of the Cherokee Nation, that you and your
Y
husband have lived together continuously since your marriage, that you are
identified on the Cherokee Census Roll of 1896; and that you base your application for enrollment upon the
foregoing marriage. Said marriage, however, was contracted after the enactment of the Cherokee marriage
law, December 16, 1895, which law went into effect "from and after the passage" of the same, and provides
that after said date "all non-citizens who may marry Cherokees by blood, Delawares or Shawnees by blood,
Citizens of the Cherokee Nation, shall acquire by such marriage, no rights of property, lands or money,
belonging in common to the Cherokee people or the Cherokee Nation. . . ."

In view of the law and testimony in this case the application for the enrollment of _____
yourself _____ as an intermarried citizen of the Cherokee Nation has
 this day been refused by the Commission to the Five Civilized Tribes.

A copy of the record of the proceedings had in this application is enclosed herewith.

This decision, with a copy of the proceedings had in the case, is this day transmitted to the Secretary of the Interior for his review and decision. The final decision of the Secretary of the Interior will be made known to you as soon as the commission is informed of the same.

In reply to yours herewith returned, will say that our marriage certificate was filed with your commission in the matter of the application of my wife Jane Davis as an adopted citizen of the Cherokee Nation. If you returned this certificate it was burned when my house and all furniture were burned three years ago last spring. I have made diligent search for the same and cannot find the same. Advise me what further information you desire on this point.

Before me, a Notary Public within and for the Northern District of the Indian Territory, on this 7th day of September, 1906, personally appeared, John M. Sanders, aged 55 years, residing at Claremore, Indian Territory, and George W. Walkley, aged 37 years, residing at Claremore, Indian Territory, who, being duly sworn, make the following declaration, to-wit:-

That they are personally acquainted with John L. Taylor, Jr., and his wife, Bertha L. Taylor, and that they were present at their marriage at their home three miles west of Claremore, Indian Territory, on the 23rd day of February, 1893, and witnessed their marriage by Judge Watt Starr, who was Judge of Cooweescoowee District, Cherokee Nation, Indian Territory, at the time of their said marriage, which was performed under the laws of the Cherokee Nation, which laws did not require a male citizen of the Cherokee Nation by blood to procure a marriage license to marry a white woman or citizen of the United States. That they are not related by blood or marriage to the said John M. Taylor, Jr., or his wife, Bertha L. Taylor, and only make this affidavit because the judge, said Watt Starr, who performed this marriage ceremony, is now deceased.

In the matter of the application for the enrollment of
McCutcheon Taylor as a citizen by blood of the Cherokee Nation.

D E C I S I O N

THE RECORDS OF THIS OFFICE SHOW: That on May 4, 1906, application was received at this office for the enrollment of McCutcheon Taylor as a citizen of the Cherokee Nation under the provisions of the Act of Congress approved April 26, 1906 (34 Stat., 137). A copy of the testimony taken at Muskogee, Indian Territory, October 6, 1902, in the matter of the application for the enrollment of John M. Taylor, Jr., et al., as citizens of the Cherokee Nation, is filed herewith and made a part of the record herein.

THE EVIDENCE IN THIS CASE SHOWS: That the said McCutcheon Taylor is a minor son of John M. Taylor, Jr., a regularly enrolled citizen by blood of the Cherokee Nation, and one Bertha E. Taylor, a non-citizen white woman, who were united in marriage February 23, 1893; that the said McCutcheon Taylor was born to them in lawful wedlock November 28, 1904, and was living March 4, 1906.

Section two, of the Act of Congress approved April 26, 1906 (34 Stat., 137), in part provides:

"That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled."

IT IS, THEREFORE, ORDERED AND ADJUDGED: That in accordance with the provisions of section two, of the Act of Congress above

- 2 -

noted, McCutcheon Taylor is entitled to enrollment as a citizen by blood of the Cherokee Nation, and his application for enrollment as such is accordingly granted.

Hon W. C. Neal,

Acting Commissioner of the Five Civilized Tribes,
Muskogee, Ind. Ter.

Dear Sir:-

In answer to your letter of September, the 4th, inst., to furnish you a marriage certificate of myself and wife Bertha M. Taylor, an inter-married citizen, will state that I have no marriage license but at the time of making the application for the enrollment of myself and wife, Bertha M. Taylor, I had the certificate of Judge Watt Starr, of Claremore, Sacawawcooee District, Cherokee Nation, Indian Territory, and said certificate of said Watt Starr was filed with the Commission, which was duly recorded by the clerk, H. H. Frett, which the records in your possession will show.

At the time of my marriage, February 23rd, 1893, to my wife, Bertha M. Taylor, an inter-married citizen, there was no law then in force in the Cherokee Nation whereby a Cherokee male Indian by blood could get license to marry a white woman.

Judge Watt Starr is now dead, and our marriage certificate from him as such judge under the laws of the Cherokee Nation at that time must be in the possession of the Commission to the Five Civilized Tribes.

Your letter is hereby returned to you as requested, and I hope the above will be a satisfactory explanation.

Respectfully Yours,

- Q. What is your name? A. J. C. Bushyhead.
Q. How old are you? A. Thirty-six.
Q. What is your postoffice? A. Claremore.
Q. You appear here today in reference to the application made to this office for the enrollment of Jessie C. Bushyhead as a citizen of the Cherokee Nation? A. Yes sir.
Q. Are you the father of Jessie C. Bushyhead? A. I am.
Q. What is the name of his mother? A. I think it's Fay I. Bushyhead.
Q. There is on file with this office affidavit of Fay I. Bushyhead, mother of this child, as to its birth on November 1, 1902, but so far this office has not been supplied with an affidavit of the attending physician or midwife at the time of the birth of this child. Do you know why, or can you state why such an affidavit has not been filed? A. Because the Dr. was in California, and I don't know why he didn't answer the letter. I sent him one of these certificates, you know, and also got my uncle there to go and see him. He said they didn't keep no dates.
Q. You have made an attempt to get the attending physician's affidavit? A. Yessir, I made two of them.
Q. Do you know of your own personal knowledge that this child was living on March 4, 1906? A. I do.
Q. Is your wife, Fay I. Bushyhead, a white woman? A. She is.
Q. There is on file with this office a marriage license and certificate showing the marriage of J. C. Bushyhead to Miss F. I. Reynolds, on the 29th day of September, 1898. Are you the identical person mentioned in this marriage license as J. C. Bushyhead? A. I am.
Q. Is your wife, F. I. Reynolds, who signs this birth affidavit as Fay I. Bushyhead, one and the same person? A. Yes sir.
Q. You are enrolled as Jessie C. Bushyhead, are you? A. Yes sir.

Bushyhead and Dennis W. Bushyhead were born to them in lawful wedlock on November 1, 1902, and November 13, 1904, respectively, and were living March 4, 1906.

Section two of the Act of Congress approved April 26, 1906; (34 Stat. 137), in part provides:

"That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled."

IT IS, THEREFORE, ORDERED AND ADJUDGED: That under the provisions of Section two of the Act of Congress above noted, Jesse C. Bushyhead and Dennis W. Bushyhead are entitled to enrollment as citizens by blood of the Cherokee Nation, and their applications for enrollment as such are accordingly granted.

ACTING CHAIRMAN

Married at the Presbyterian Church Parsonage, Claremore, Cherokee Nation Ind. Ter. - J.W. Williams, a Cherokee citizen by blood and Mrs Minnie Elliott, a citizen of the U.S. April 16th 1893-by
Rev. A.D. Jack, a
Minister of the Gospel.

Executive Office Cherokee Nation,
Tahlequah Ind. Ter.

I, B.W. Alberty, assistant Executive secretary of the Cherokee Nation do hereby certify that the above is a true copy taken from the marriage record of Cooweescoowee District Cherokee Nation, now filed in this Office Cherokee Nation, this the 27th day of February 1902.

B.W. Alberty
Assistant Executive Secretary,
Cherokee Nation.

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Minnie Williams as a citizen by intermarriage, and for the enrollment of Guy Williams, Anna Williams and Mary E. Williams as citizens by blood of the Cherokee Nation.

DECISION.

The record in this case shows that on November 20, 1901, Jack Williams appeared before the Commission at Chelsea, Indian Territory, and made personal application for the enrollment of his wife, Minnie Williams, as a citizen by intermarriage, and their minor children, Guy, Anna and Mary E. Williams, as citizens by blood of the Cherokee Nation. Further proceedings in the matter of said application were had at Muskogee, Indian Territory, on October 15, 1902. The application also included himself, but as he is differently classified, he is not embraced in this decision.

The evidence shows that Minnie Williams, formerly Elliott, was lawfully married on April 16, 1893, to Jack Williams, a citizen by blood of the Cherokee Nation. As a result of that marriage the minor children hereinbefore named were born. It further appears that Jack Williams, prior to his marriage to this wife, had been married twice, his first wife being dead, and at the time of his marriage to Minnie Williams he had been divorced from his second wife. Minnie Williams and Guy Williams are identified on the Cherokee census roll of 1896. Anna Williams and Mary E. Williams are identified by certificates of birth made a part of the record herein. There was filed with this Commission, and made a part of the record herein, a death affidavit wherein it is shown that Mary E. Williams died on June 19, 1902.

The evidence further shows that Minnie Williams has lived with her said husband in the Cherokee Nation and Indian Territory continuously from her marriage up to and including September 1, 1902. The residence of the minor children herein has been the same as that of their parents.

It is, therefore, the opinion of this Commission that Minnie Williams should be enrolled as a citizen by intermarriage, and Guy Williams and Anna Williams should be enrolled as citizens by blood of the Cherokee Nation, in accordance with the provisions of Section twenty-one of the Act of Congress approved June 25, 1906, (34 Stat., 495), and it is so ordered.

It is further ordered by this Commission that the application for the enrollment of Mary E. Williams as a citizen by blood of the Cherokee Nation be, and the same is hereby, dismissed.

Dear Sir:-

Answering your letter of the 4th inst "Cherokee N.B. 99" will say, that I have no original certificate of my marriage, between my wife and myself.

When I made original application to the Commission to enroll myself and family I then filed a certificate of my marriage as is shown by the Clerks record of Cooweescoowee District this certificate is filed in my original application for enrollment.

Should this not be sufficient then I will have to get another certificate of the records.

Please inform me, if it will be necessary to get a certified copy of the record.

Very truly yours,

Jack Williams.

This affidavit is sworn by his confidential informant, filed
 according to have been produced to the court at the time on the
 27th day of September, 1900. He is identified on the roll of 1894,
 and the first three of his children, mentioned in the affidavit are
 also identified on the roll of 1894. These children have been born
 since his admission, and he says these three children will now be
 living in the Canadian District of British Columbia. His youngest child,
 Charles is not of sufficient age to be on any of the rolls. When
 he supplies the Canadian with a duly authenticated certificate of
 the birth of this child, it will be listed for enrollment as a
 Canadian by birth. These children are living at this time and the
 applicant testifies that he has lived continuously in the British
 Columbia since his admission in 1894.

As to his application for his wife, he states that the marriage
 ceremony was performed in November, 1894, prior to his admission
 to Canadian citizenship and that he was never married to his wife
 after his admission. For the further authentication of any claims
 involved in the matter of her application, it will now be placed
 in a "Wedding Card". She is identified as his wife on the roll of
 1894.

The undersigned, being sworn, states that as stenographer to the
 Commission to the Five Civilized Tribes, he correctly received the
 testimony and proceedings in this case, and that the foregoing is a
 true and complete transcript of his stenographic notes thereof.

In the matter of the application for the enrollment of
FRANCES ELIZABETH FORBES as a citizen by blood of the Cherokee
Nation.

DECISION.

THE RECORDS OF THIS OFFICE SHOW: That on May 8, 1906,
application was received at this office for the enrollment as a
minor citizen by blood of the Cherokee Nation of Frances Elizabeth
Forbes under the provisions of Section Two of the Act of Congress
approved April 26, 1906, (34 Stat. 137).

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein,
Frances Elizabeth Forbes is the minor child of William C. Forbes,
a non-citizen white man, and Mary E. Forbes, nee Roberts, an
alleged citizen by blood of the Cherokee Nation and possesses no
right to enrollment not possessed by her said parents. It is
further shown that on September 28, 1906, (I.T.D. 10686-1906), the
application for the enrollment of said Mary E. Forbes, nee Roberts,
was denied by the Secretary of the Interior.

Section Two of the Act of Congress approved April 26, 1906,
(34 Stat. 137), in part provides:

"That for ninety days after approval hereof applications
shall be received for enrollment of children who were minors
living March fourth, nineteen hundred and six, whose parents
have been enrolled as members of the Choctaw, Chickasaw,
Cherokee, or Creek tribes, or have applications for enrollment
pending at the approval hereof, and for the purpose of enroll-
ment under this section illegitimate children shall take the
status of the mother, and allotments shall be made to children
so enrolled.

IT IS, THEREFORE, ORDERED AND ADJUDGED: That Frances
Elizabeth Forbes is not entitled to enrollment as a citizen by
blood of the Cherokee Nation, and her application for enrollment
as such is accordingly denied.

Commissioner to the Five Civilized Tribes,

The Department has considered the motion by the attorney for the Cherokee Nation to reopen the case, submitted with your office letter of May 29, 1906, and Indian Office letter of June 9, 1906. In view of the approval of the opinions of the Assistant Attorney-General of December 28, 1905, in the case of Mary L. Strickland, and of December 24, 1905, in the case of Ora M. Bend and James M. Eamp, and in accordance with your recommendation of May 29, 1906, the decision of the Department of February 8, 1904, is rescinded, and the applicants denied enrollment in the Cherokee Nation, as they had not removed to the nation or the Indian Territory prior to June 28, 1898. Their names have been stricken from the schedule, approved by the

Department, of citizens by blood of said nation opposite numbers 30852 to 30855 inclusive. You will so advise them and inform the Department whether allotments have been made to any of them and if so, as to its status. You will ascertain from the U. S. Indian Agent, Union Agency, whether any application of any kind has been filed in his office affecting any land that may have been allotted to any of these persons.

A copy of the Indian Office letter is inclosed.

DEPARTMENT OF THE INTERIOR,
OFFICE OF INDIAN AFFAIRS,
WASHINGTON.

February 27, 1907.

COPY.

The Honorable,

The Secretary of the Interior.

Sir:

There is enclosed the record of proceedings in the matter of the application for the enrollment of Frances Elizabeth Forbes, as a citizen by blood of the Cherokee Nation, including the decision of the Commissioner to the Five Civilized Tribes, dated February 12, 1907, adverse to the applicant.

The record shows that on May 8, 1906 application was received by the Commissioner to the Five Civilized Tribes for the enrollment of this applicant as a minor citizen of the Cherokee Nation. The evidence shows that the applicant herein is the minor child of a non-citizen white man, William C. Forbes and of Mary E. Forbes, nee Roberts, an alleged citizen by blood of the Cherokee Nation, and that she possesses no right to enrollment not possessed by her parents. It is further shown that on September 28, 1906, (I.T.D.10686-1906) the application for the enrollment of Mary E. Forbes, nee Roberts, was denied by the Department.

Therefore, by reason of the provisions of the Act of April 26, 1906, (34 Stat.L., 137), the Office concurs in the decision

Very truly,
Yours in service,
Very respectfully,

C. F. K. K.

In the matter of the application for the enrollment of Lewis Tyner, et al., as citizens by blood of the Cherokee Nation.

-:-

DECISION.

THE RECORDS OF THIS OFFICE SHOW: That at Sallisaw, Indian Territory, on August 7, 1900, Lewis Tyner appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of himself, his wife, Martha Elizabeth Tyner, and their minor children, Robert Lee, Sarah Delilah, Mary Louisa, Mattie Euelline, William Dempsey and John Lewis Tyner, as citizens by blood of the Cherokee Nation. Further proceedings in the matter of said application were had at Maudrow, Indian Territory, August 14, 1900, at Tahlequah, Indian Territory, December 4, 1900, and at Muskogee, Indian Territory, March 1, 1903, (when application was made for the enrollment of Ben Lafayette Tyner, child of the applicants Lewis and Martha Elizabeth Tyner, who is shown by a birth affidavit filed herewith and made a part of the record herein to have been born August 10, 1900), and at Fairbault, Indian Territory, on September 21, 1905. A copy of the proceedings had on March 21, 1903, at Muskogee, Indian Territory, in the matter of the application for the enrollment of James A. Hibbs, et al., as citizens by blood of the Cherokee Nation is filed herewith and made a part of the record herein.

The records further show that, under the Act of Congress approved June 10, 1896 (29 Stat., 321), Lewis Tyner on September 8, 1896, made application to the Commission to the Five Civilized Tribes for citizenship in the Cherokee Nation for himself, his wife, Martha E. Tyner, and their minor children, Robert L., Mary, Sarah, Mattie and Dempsey Tyner, claiming the right to Cherokee citizenship as descendants of one Dempsey Tyner, a Cherokee by

blood. On October 23, 1896, said Commission rendered its decision denying said application, and on January 12, 1897, an appeal was taken to the United States Court for the Northern District of the Indian Territory, in the case of Jesse L. Tyner, et al., vs. The Cherokee Nation, Court No. 191, and that thereafter, the said Court rendered its decision admitting "the claimants" therein to citizenship in the Cherokee Nation. The application made by Lewis Tyner on September 8, 1896, for himself, wife and children, was docketed and styled "Lewis Tyner vs. the Cherokee Nation", but this title was erroneous inasmuch as the members of his family above mentioned were also included in said application. This was also the case with the other applications made to the Commission at that time by relatives of Lewis Tyner who were heads of families. On June 30, 1905, the Commission to the Five Civilized Tribes found that the petition for appeal in the case of Jesse L. Tyner et al., vs. the Cherokee Nation, embraced all cases before the Commission wherein the applicants derived their Cherokee blood through a common ancestor, and on September 9, 1905, its finding was approved by the Department (I.T.D. 10354-1905). Said petition also followed the method of styling before the Commission in giving only the names of heads of families, notwithstanding the fact that the original applications which cont in other members of the families were before said Court by its order.

The report of the Special Master appointed by the Court in said case, in reviewing the proceedings, states in his second finding that: "The application was presented by Jesse L. Tyner, John W. Tyner, Lewis C. Tyner, and others, naming them, and from an examination of all the names grouped under the head of Jesse L. Tyner vs. the Cherokee Nation, it appears that said parties were heads of families who applied to the Commission on September 8, 1896."

The judgment of the United States Court in the case of Jesse L. Tyner, vs. the Cherokee Nation, fails to mention the names of the parties before it, and concludes as follows:

"The judgment of the United States Commission rejecting this case is therefore reversed, and the application of the claimants to be enrolled as citizens of the Cherokee Nation is allowed."

Although all the applicants who were named in the application made on September 8, 1896, were not specifically mentioned in the judgment of the United States Court they were applicants before that Court and under the general designation of "claimants" were admitted to citizenship in the Cherokee Nation.

The right of the applicants herein to be enrolled depends upon the following question, to-wit:

Whether or not Lewis Tyner, principal applicant herein, is identical with Lewis C. Tyner, mentioned in the judgment of the United States Court in the case of Jesse L. Tyner.

It is established that at the time application was made September 8, 1896, there were in the Cherokee Nation one Lewis Tyner and one Lewis C. Tyner, both relatives of the Tyner family. That the Lewis C. Tyner mentioned in the appeal is identical with Lewis Tyner, the principal applicant herein, is shown by the testimony of the said Lewis Tyner, W. H. Smith, John W. Tyner, John A. Carter, and the said Lewis C. Tyner. The testimony of these witnesses shows beyond question that the said Lewis C. Tyner was not an applicant for Cherokee citizenship before the Commission to the Five Civilized Tribes on September 8, 1896, and the records of this office fail to show that any application has ever been made for his enrollment as a citizen of the Cherokee Nation.

In view of the foregoing it is considered that the evidence in this case shows that the applicants, Lewis, under the name of Lewis C.; Martha Elizabeth, Robert Lee, Sarah Delilah, Mary Louisa, Mattie Eualine, and William Dempsey, under the name of Dempsey Tyner, were admitted to citizenship in the Cherokee Nation by the judgment of the United States Court in the case of Jesse L. Tyner, et al.; and that the applicants, John Lewis and Ben Lafayette Tyner, were born since said admission.

It is further shown that the applicants, Lewis and Martha Elizabeth Tyner, were married in 1887, and have since continuously resided in the Cherokee Nation, and that the applicants, Robert Lee, Sarah Delilah, Mattie Eualine, William Dempsey, John Lewis and Ben Lafayette Tyner, are children of the said Lewis and Martha Elizabeth Tyner, and have continuously resided with their parents in said Nation since birth. It is further shown that the applicant Mary Louisa Tyner, died on August 28, 1901.

Section Twenty-five of the Act of Congress approved July 1, 1902, (32 Stat., 716), provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes."

IT IS, THEREFORE, ORDERED AND ADJUDGED: That, under the provisions of Section Twenty-one of the Act of Congress approved June 28, 1896 (30 Stat., 425), Lewis Tyner, Martha Elizabeth Tyner, Robert Lee Tyner, Sarah Delilah Tyner, Mattie Eualine Tyner, William Dempsey Tyner, John Lewis Tyner and Ben Lafayette Tyner, are entitled to enrollment as citizens by blood of the Cherokee Nation, and their application for enrollment as such is accordingly granted. And it is further ordered that, under the provisions of the act of Congress approved July 1, 1902 (32 Stat., 716), the application for the enrollment of Mary Louisa Tyner as a citizen by blood of the Cherokee Nation, be, and the same is, hereby, dismissed, without prejudice.

DECISION

THE RECORDS OF THIS OFFICE SHOW: That on June 2, 1906, and May 5, 1906, applications were received at this office for the enrollment, as minor citizens by blood of the Cherokee Nation, of Clara Belle and Myrtle Irene Tyner, respectively, under the provisions of Section two, of the Act of Congress approved April 26, 1906 (34 Stats., 137). A copy of the decision of the Commissioner to the Five Civilized Tribes, dated December 27, 1905, in the matter of the application for the enrollment of Lewis Tyner, et al., is filed herewith and made a part of the record herein.

THE EVIDENCE IN THIS CASE SHOWS: That the applicants herein, Clara Belle and Myrtle Irene Tyner, who were born May 21, 1902, and March 30, 1904, respectively, and were living March 4, 1906, are the minor children of Lewis Tyner and Martha E. Tyner, alleged Cherokees by blood, and possess the same right to enrollment as citizens of the Cherokee Nation possessed by their said parents. It is further shown that on December 27, 1905, the application for the enrollment of said Lewis Tyner and Martha E. Tyner as citizens by blood of the Cherokee Nation was granted by the Commissioner to the Five Civilized Tribes; and that on January 18, 1906, said decision was forwarded to the Department for review.

Section two, of the Act of Congress approved April 26, 1906 (34 Stats., 137), in part provides:

"That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled."

IT IS, THEREFORE, ORDERED AND ADJUDGED: That Clara Belle Tyner and Myrtle Irene Tyner are entitled to enrollment as citizens by blood of the Cherokee Nation, and their applications for enrollment as such are accordingly granted.

Commissioner.

D E C I S I O N

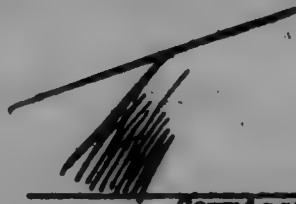

THE RECORDS OF THIS OFFICE SHOW: That on May 7, 1906, applications were received at this office for the enrollment, as minor citizens of the Cherokee Nation, of Henrietta Sears and Joseph H. Sears, under the provisions of Section two of the Act of Congress approved April 26, 1906 (34 Stat. 137). Bennett, et al., as citizens by blood of the Cherokee Nation, is filed herewith and made a part of the record herein.

THE EVIDENCE IN THIS CASE SHOWS: That the applicants herein, Henrietta Sears and Joseph H. Sears, are the minor children of one Wade H. Sears, a non-citizen white man, and Mary E. Sears, nee Bennett, a white woman, whose name appears on a partial roll of citizens of the Cherokee Nation opposite No. 10270, as an adopted white.

Section two of the Act of Congress approved April 26, 1906 (34 Stat. 137), in part provides:

"That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled."

The Indian appropriation Act of June 21, 1906, relating to the Five Civilized Tribes, contains as an amendment to Section 2 of the Act of April 26, 1906, the following provisions:

"Provided further, that nothing herein shall be construed so as hereafter to permit any person to file an application for enrollment or to be entitled to enrollment in any of said tribes, except for minors the

In the matter of the application for the enrollment
of NANCY YOUNG as a citizen of the Cherokee Nation.

The records of this office show that on September 18, 1906, Charlie Young, father of the applicant, Nancy Young, and the Attorney for the Cherokee Nation, were notified that they would be permitted to appear before the offices of the Commissioner, on this date, October 11, 1906, and introduce such testimony as they desired relative to the right to enrollment as a citizen of the Cherokee Nation of said Nancy Young.

This case coming up for hearing, the following proceedings were had:

APPEARANCES: For Applicant; George E. McCulloch, Vinita, I.T.
For Cherokee Nation; W. W. Hastings, Muskogee, I.T.

CHARLIE YOUNG, being duly sworn by Chas. E. Webster,
testified as follows:

Examination by George E. McCulloch:

- Q. What is your name? A. Charlie Young.
Q. What is your wife's name? A. Laura E. Young.
Q. Did she have a child born to her some time in February or March, 1906. A. She had one sometime.
Q. When was it, do you remember? A. Well, I just don't remember.
Q. Well now, was it in February or March, tell us that if you know?
A. It seems to me like it was about March, long in there sometime.
Q. What time in March? A. I could not say for sure about that.
Q. Is there any way by which you can tell about the date this child was born, by the midwife who waited upon your wife attending some other woman, or something like that?
A. Well, she came to my house Friday night and waited on my wife, and Saturday I carried her to town and she went right to Robinson's wife.
Q. Do you know when Robinson's child was born? A. No sir.
Q. Was your child born Friday night? A. Yes sir.
Q. What time? A. About two o'clock or something like that.

Cherokee N. B.-/197

- Q. Was that in March or February, now? A. Well, I just don't know, but I think it was right along the first or second of March.
- Q. How long did this child, Nancy, live? A. Well, it lived two or three hours or something like that.
- Q. You think it was born about two o'clock Friday morning?
- A. Yes sir.
- Q. About what time did it die this morning? A. Just about sun-up, or a little after.

By Mr. Hastings:

- Q. Did it die at sun-up Friday morning? A. No sir.
- Q. It was born about two o'clock and about sun-up of the same morning it died? A. Yes sir.
- Q. That was Saturday morning then? A. Yes sir, that was on Saturday morning; born Friday night.

By Mr. McCulloch:

- Q. Do you know Charlie, whether or not this child was living on the fourth day of last March. A. Well, no sir, I don't.
- Q. Do you know that children that were dead before the fourth of March 1906, would not get any land? A. Know that children that were dead could not get any land?
- Q. Yes, that children born after September 1, 1902, and died before March 4, 1906, would not get any land? A. No sir.
- Q. Now, it seems that your wife, Laura, made application for the enrollment of your child, Nancy, you know that she made this application do you? A. Yes sir.
- Q. Now, how did you happen to make that application? A. Well, I just don't understand you sir.
- Q. Well, did you think you could get land for that child? A. Yes sir.
- Q. You thought you could get land for it? A. Yes sir, I thought so.
- Q. You did not know that if she died before March 4, 1906, you could not get any land? A. No sir.

By Mr. Hastings:

- Q. You know that this child died about sunup on Saturday morning?
- A. I know that it did die?
- Q. Yes? A. Why yes, I know it died.
- Q. Now don't misunderstand me, I said Saturday, you said you went for the midwife Friday, and the child was born about two o'clock, after the midnight, which would be Saturday, and that the child died about sun up of Saturday? A. Yes sir just a little after sun up.
- Q. On Saturday? A. Yes sir.
- Q. Then it was born and died the same day? A. Yes sir, I think it was.
- Q. Then if it were born on the second of March it didn't live over the third and was not living on the fourth of March, as these affidavits state?
- A. I don't know sir, I couldn't tell you.
- Q. You knew that if it was born on the second that it was not living two days after? A. Yes sir, I know that.
- Q. You knew that it was not living two days after it was born?

Sherrill H. B. 197-55

- A. Yes sir.
- Q. Now, you state that this midwife went from your house to Sherman Robinson's? A. Yes sir.
- Q. But you don't know how long after she went the child was born to his wife, Now, how long after the child was born to your wife was the child born to Robinson's wife?
- A. I don't know for sure, they told me it was born the next day after I carried her up there.
- Q. You don't know the date, but you know it was born after your child was? A. Yes sir.
- Q. Is this Nancy Shepard the midwife? A. Yes sir.

LAURA E. YOUNG being first duly sworn by Chas. E. Webster, testified as follows:

- Q. You are the wife of Charlie Young? A. Yes sir.

- Q. Before midnight or after midnight of that night? A. I don't know whether--don't know.
- Q. You do not know? A. No sir.
- Q. Did not you hear anyone say? A. No sir.
- Q. Did not the midwife tell you when it was born? A. If she did I don't remember.
- Q. Is that child living? A. No sir.
- Q. It died did it? A. Yes sir.
- Q. When did it die? A. Saturday morning about sunup.
- Q. About sunup? A. Yes sir.
- Q. Do you know what month this was in Laura? A. No sir.
- Q. Do you read and write? A. No sir.
- Q. Can you name the months, March April, June July-- do you keep track of the months? A. No sir.
- Q. Then you don't know whether this child was alive on March fourth of this year do you? A. No sir.
- Q. Now you state in this affidavit that it was living on March fourth 1906, that was what you swore to, how did you happen to do that, do you know how you came to make that affidavit?
- A. No sir.
- Q. Well, did someone tell you that you could hold land for this child? A. Yes sir.
- Q. Who told you that? A. I don't know what it was now.
- Q. You just heard it? A. Yes sir.
- Q. Did you know that children that died before March fourth would not get any land?

Cherokee N B 197--44

A. No sir, I did not.

Q. Now hear this, I will read it: "I, Laura Young, on oath state that I am twenty years of age, and a citizen by blood of the Cherokee Nation; that I am the lawful wife of Charlie Young who is a citizen of the United States, that a girl child was born to me on the second day of March, 1906; that said child has been named Nancy Young, and was living March 4th 1906." Was that ever read to you before, Laura?

A. Yes sir.

Q. Who read it to you? A. I don't know the man's name.

Q. Was it Charles Webster, a Notary Public? A. I don't know.

Q. Now, do you think this child was born March 2, 1906? A. Yes sir.

Q. And if it was living March 4th it would have lived two days, wouldn't it? A. Yes sir.

Q. Well, it did not live two days did it? A. No sir.

By Mr. Hastings:

Q. Do you want to make application for the enrollment of this child, claiming that it was born on March 2, and was living on March 4? In other words, do you want to represent to the Commissioner that this child was born on March 2, and was living on the fourth day of March. A. Yes sir, I guess so.

Q. Well, you just stated that it was not? A. No, no sir.

Q. Now, I don't want to frighten you, I just want to get the facts of the case, do you now want to state that this child was born on the second day of March and was living on March fourth? A. No sir.

Q. You don't want to state that? A. No sir.

Q. Do you know the day it was born? A. Yes sir.

Q. What day? A. Friday.

Q. Well, Friday night, and died the following morning which would make it Saturday morning? A. Yes sir.

Q. You came up here with your husband to make this affidavit, did you? A. Yes sir.

Q. And made it here in this building? A. Yes sir--I guess it was.

Q. Now, do you still want to claim the right to enroll this child? A. Yes sir.

CHARLIE YOUNG RE-CALLED:

By Mr. Hastings:

Q. Do you still desire, after having this case investigated as much as it has been and this additional testimony taken, do you still desire to insist upon, and make application for the enrollment of this child, claiming now, under oath, that it was living on March fourth, 1906.

Cherokee N. B. 197-48

A. No sir.

Q. Then it was not living on that date? A. No sir, I don't think it was.

Q. Well, do you desire, representing yourself and your wife, to have this application for the enrollment of this child, dismissed? A. Yes sir.

Q. For the reason that you do not believe that it was living on March fourth? A. Yes sir.

LAURA E. YOUNG RE-CALLED:

By. Mr. McCulloch:

Q. Now, Laura, you don't understand--now, if this child is not entitled to any land, you don't want to get it, do you?

A. No sir.

Q. And if the law is that this child is not entitled to land if it was not living on March fourth, you don't want it to get it do you? A. No sir.

Q. Well, now, you know this child was not living two days--you say it did not? A. Yes sir.

Q. Now, do you want to force this affidavit upon the Commissioner and get this child enrolled and get its land? A. No sir.

Statement by Mr. McCulloch, attorney for Applicants:

The Attorney for the applicants, Charlie and Laura Young, hereby with their consent withdraws the application for the enrollment of their infant child, Nancy Young, for the reason that the testimony clearly shows that the child was not living on March fourth, nineteen hundred and six. The Calendar shows that the fourth of March, 1906, was on Sunday, and the evidence clearly shows that the child was born about two o'clock Saturday morning and died about sun-up of the same Saturday morning.

CHARLIE YOUNG RE-CALLED:

ON BEHALF OF COMMISSIONER:

Q. Has your wife got another minor child? A. Yes sir.

Q. What is its name? A. One named John and one Henry.

Q. Which is older? A. John.

Q. Is he living? A. Yes sir.

Q. When was he born? A. Well as I knew as I can give it, he was born in 1902.

Q. How many years old is he now? A. He will be four years old in this month. This is October aint it?

Q. He can walk and talk? A. Yes sir.

Q. He is your wife, Laura's child? A. Yes sir.

Q. How old is Henry? A. Henry is going on--a little over two years old.

Q. Is he living?

Exhibit Y. E. 187 44

A. No sir, he is dead.

Q. How long has he been dead? A. I don't know exactly, he died some time last year.

Q. In 1905? A. Yes sir.

Acting Commissioner.

Muskogee, Indian Territory, August 24, 1906.

The Honorable,

The Secretary of the Interior.

Sir:

On August 18, 1906, this office transmitted for Departmental approval, a schedule containing the names of 250 minor Cherokee children, Nos. 282A to 310, inclusive, found to be entitled to enrollment under the provisions of the Act of Congress approved April 28, 1906 (Public No. 129).

When application was received for the enrollment of Levi Ketcher, whose name appears on said schedule opposite No. 481, his father was not identified upon the records of this office as a citizen of the Cherokee Nation. His mother, Ruth Ketcher, enrolled as Ruth Petit, appears upon the approved Cherokee roll opposite No. 2428, as a one-half degree Cherokee, and the name of said child was placed upon the schedule as a one-fourth degree Cherokee. Since the schedule was transmitted to the Department, information has been received showing that John Ketcher is the father of said child and that he is a duly enrolled Cherokee citizen, his name appearing upon the approved roll opposite No. 17916, as a one-half degree Cherokee. The parents of Levi Ketcher being both of the half-blood class of citizens, he would of course be

Secretariat,

of the same class.

In order that Levi Letcher may be properly placed upon the approved Cherokee roll, it is respectfully requested that the copies of said schedule transmitted for Departmental approval be corrected so that the degree of blood of Levi Letcher appearing thereon opposite No. 461, will appear as "1/2" instead of "1/4".

Respectfully,

DEPARTMENT OF THE INTERIOR,
OFFICE OF INDIAN AFFAIRS,
WASHINGTON.

September 15, 1906.

The Honorable,
The Secretary of the Interior.

Sir:

There is inclosed a report from the Acting Commissioner to the Five Civilized Tribes, dated August 24, 1906, saying that when application was received for the enrollment of Levi Ketcher, whose name appears at No. 481, Cherokee roll of new born children, his father was not identified on the records in the possession of the Commissioner, and that his mother, Ruth Ketcher, enrolled as with Petit, at No. 2428, approved roll of Cherokees by blood, is a 1/2 degree citizen, and that the child was enrolled as a 1/4 Cherokee blood.

He further reports that since the schedule was forwarded information has been received which shows that John Ketcher is the father of the child, and that he is duly enrolled at No. 17916 as a 1/2 blood Cherokee. As the child is evidently of 1/2 Cherokee blood, the Acting Commissioner recommends that the rolls on file in the Department, that in the possession of this Office, and those in the possession of the Commissioner be made to show the facts. It is recommended that authority for the correction of the rolls be granted.

Very respectfully,
F. E. Leupp.

Commissioner to the Five Civilized Tribes,
Muskogee, Indian Territory.

Sir:

August 24, 1906, the Acting Commissioner recommended that the approved schedule of minor Cherokee children be corrected so that the degree of blood of Levi Ketcher, opposite No. 481, will appear thereon as " $\frac{1}{2}$ " instead of " $\frac{1}{4}$ ", information having been received by your office, that the parents of said child are both one-half blood Cherokees.

Reporting September 15, 1906, the Indian Office recommends that the authority requested be granted. A copy of its letter is inclosed.

Proper steps will be taken for the correction upon the parts of the schedule in the department and the Indian Office, and you are authorized to make such correction upon the proper schedule in your possession.

In the matter of the application for the enrollment of
George Walter Martin as a citizen of the Cherokee Nation.

DECISION.

THE RECORDS OF THIS OFFICE SHOW: That on May 8, 1906, application was received at this office for the enrollment as a minor citizen of the Cherokee Nation of George Walter Martin, under the provisions of Section two of the Act of Congress approved April 26, 1906 (34 Stat. 137).

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, George Walter Martin, is the minor child of one Lewis T. Martin, a non-citizen white man, and Hattie M. Martin, a white woman, whose name appears on the partial roll of Cherokee citizens, opposite No. 31912 as an adopted white.

Section two of the Act of Congress approved April 26, 1906 (34 Stat. 137), in part provides:

"That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled."

The Indian appropriation Act of June 21, 1906, relating to the Five Civilized Tribes, contains as an amendment to said Section two of the Act of April 26, 1906, the following provisions:

"Provided further, that nothing herein shall be construed so as hereafter to permit any person to file an application for enrollment or to be entitled to enrollment in any of said tribes, except for minors the children of Indians by blood, or of freedmen members of said tribes, or of Mississippi Choctaws identified under the fourteenth article of the treaty of eighteen hundred and thirty; as herein otherwise provided, and the fact that the name of a person appears on the tribal roll of any of said tribes shall not be construed to be an application for enrollment."

IT IS, THEREFORE, ORDERED AND ADJUDGED: That under the provisions of the Acts of Congress above cited, George Walter Martin is not entitled to enrollment as a citizen of the Cherokee Nation, and his application for the enrollment as such is accordingly denied.

Dear sir:

In reply to your letter of January 29, asking to be advised as to the enrollment of your minor child, George Walter Martin, you are advised the records of this office show that the name of said child has not yet been placed upon a schedule of citizens of the Cherokee Nation and approved by the Secretary of the Interior. The records seem to show, however, that your child is, *prima facie*, entitled to enrollment, and if this be correct, the mother of said child, being a citizen of the Cherokee Nation, may appear at any time in the near future and make an allotment selection for said child, and in the event of his final enrollment the land applied for will be allotted to him.

You will be promptly informed when your child is finally enrolled as a citizen of the Cherokee Nation.

DEPARTMENT OF THE INTERIOR
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the applications for the enrollment of
Lola O. Johnson and Catherine A. Johnson as citizens of the
Cherokee Nation.

DECISION

THE RECORDS OF THIS OFFICE SHOW: That on May 6, 1906,
applications were received at this office for the enrollment as
minor citizens of the Cherokee Nation, of Lola O. Johnson and
Catherine A. Johnson, under the provisions of Section two of the
Act of Congress approved April 22, 1906, (34 Stat. 137).

THE EVIDENCE IN THIS CASE SHOWS: That the applicants
herein, Lola O. Johnson and Catherine A. Johnson, were the
children of one George W. Johnson, a white man, who was listed
on a partial roll of citizens of the Cherokee Nation, opposite
No. 29382, as an adopted white, and son Johnson, a non-citizen
white woman.

Section two of the Act of Congress approved April 22,
1906 (34 Stat. 137), in part provides:

"That for ninety days after approval hereto
applications shall be received for enrollment of
children who were minors living March fourth,
nineteen hundred and six, whose parents have been
enrolled as members of the Chickasaw, Cherokee,
or Creek tribes, or have applications for en-
rollment pending at the approval hereto, and for
the purpose of enrollment under this section
illegitimate children shall take the status of the
mother, and allments shall be made to children
so enrolled."

The Indian Appropriation Act of June 21, 1906, relating
to the Five Civilized Tribes, contains as an amendment to said
Section two of the Act of April 22, 1906, the following provisions:

"Provided further, that nothing herein shall
be construed as an authority to permit any person
to file an application for enrollment or to be
entitled to enrollment in any of said tribes, except

(2)

for minor the children of Indians, or of freedmen members of said tribes, or of persons who are identified under the provisions of the treaty of eighteen hundred and thirty, as herein otherwise provided, and the fact that the name of a person appears on the tribal roll of any of said tribes shall not be construed to be an application for enrollment."

IT IS, THEREFORE, ORDERED AND ADJUDGED: That under the provisions of the Act of Congress above recited, John S. Johnson and Catherine A. Johnson are not entitled to enrollment as citizens of the Cherokee Nation and their applications for enrollment as such are accordingly denied.

Commissioner.
